

WEST OF SCOTLAND
11 TO **16** STUDY:
TEENAGE HEALTH

CLASS TEACHERS' QUESTIONNAIRE 1994/5

Child number

--	--	--	--	--

Child's name:(first).....(second name)

Date of completion://

1. Listed below are 9 pairs of descriptions. Each pair covers a particular aspect of the child's temperament and disposition, learning skills or social behaviour.

For each, first decide which one is true for the child, and then how much it is true.

For example, if you felt that he/she is **usually** restless, you would ring the answer as shown:

able to sit still for long periods of time	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>is restless, squirmy or fidgety</i>
This child						
is happy and contented	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>is unhappy, anxious or worried</i>
has difficulty coping with new situations or people	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>cop es easily with new situations or people</i>
is even-tempered and easy going	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>is irritable or quarrelsome</i>
cannot concentrate on any particular task - easily distracted	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>can concentrate on any task - not easily distracted</i>
is eager to learn, curious and inquiring	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>shows little interest, curiosity or motivation in learning</i>
perseveres in the face of difficult or challenging work	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>lacks perseverance, impatient with difficult or challenging work</i>
is helpful and considerate to other children	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>bullies or is spiteful towards other children</i>
is solitary or withdrawn	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>is sociable and friendly</i>
accepts limits, discipline and control	mostly true	usually true	BOTH EQUALLY TRUE	<i>usually true</i>	<i>mostly true</i>	<i>is generally disruptive, unco-operative or disobedient</i>

2. Compared to others in the class, can you say roughly how well this child does in each of the following aspects? For each subject area, please ring the best answer.

English & reading	well above	slightly above	about average	slightly below	well below
gym, sport & games	well above	slightly above	about average	slightly below	well below
maths (S.P.M.G.)	well above	slightly above	about average	slightly below	well below
